Christoph Prinz / LTI Summit 2019 / Opening Panel

“
Without data you're **just**
another person with **an opinion.**”

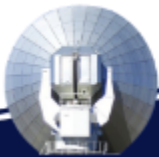

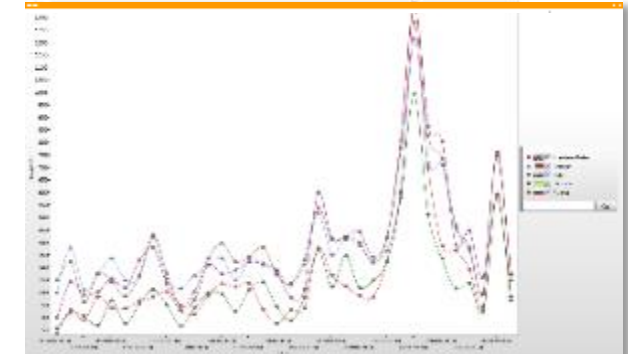

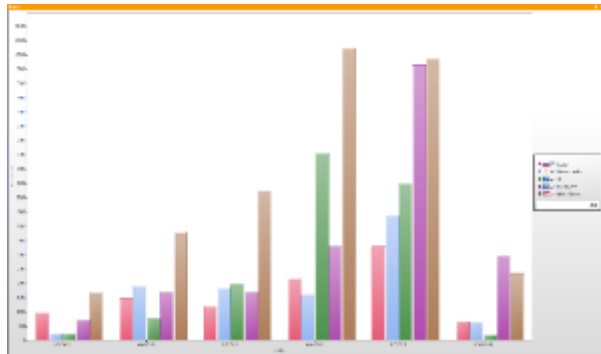

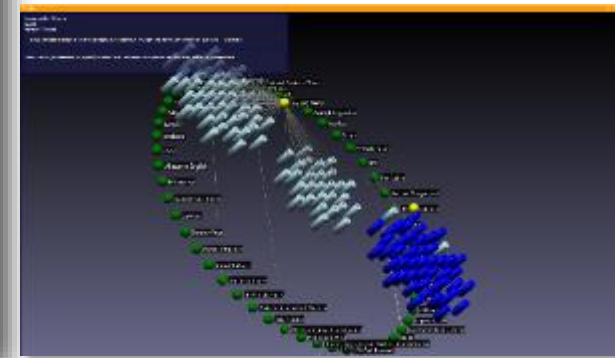

W. Edwards Deming, Data Scientist

Media Mining System

A screenshot of the Media Mining System interface. The interface is divided into several sections: a top navigation bar, a left sidebar with navigation options, a main search results area, and a right sidebar with video thumbnails. The search results area displays a list of search results with titles, dates, and snippets of text. The right sidebar shows a list of video thumbnails with titles and dates.
