

Conquer the Space of Language!

RELEASE THE POWER OF
MULTILINGUAL AMBIENT INTELLIGENCE

Join LT-Innovate to shape the multilingual intelligent future

LT-Innovate is the global Association of the Language Technology Industry

LT-Innovate members consist of LT suppliers, integrators or users covering all fields of **Natural Language Processing** such as speech interaction, deep language & meaning processing, and multilingual communication & cognition technologies. If you are a key player in shaping our **multilingual intelligent future** - as a technology supplier, user or integrator - join LT-Innovate as a Premium Member.
